Velour Pink

Velour Pink

Velour White

Salvia
'Velour Pink' & 'Velour White'

LONG & VIBRANT FLOWERING

Origin: Australia

Species: *Salvia leucantha*

Full sun | Part shade | Height 1.5m | Spread 2m

Features:

- Two new colour breaks from this very popular landscaping plant
- Very dry tolerant once established
- Spikes of flowers, velvety to the touch, through autumn
- Evergreen and hardy, without any special needs

Suggested Uses:

- Mass plant for low maintenance areas
- Small gardens, patios and courtyards
- Dry or gravel style gardens
- Mediterranean-style garden or sunny herbaceous border
- Fast results for new gardens
- Great for coastal regions

Water Requirements:

Low. Once established, quite dry tolerant requiring only occasional deep watering during extended periods of heat.

Care:

Low maintenance and easy to grow. Apply a slow release fertiliser in spring to encourage profuse flowering. Prune by half after main flowering to tidy then in early spring remove old stems to reveal new growth.
