

OCTOBER 2016

# PMA Recognised for Business Excellence in Exports

## Plants Management Australia Pty Ltd (PMA) finalists for the national Australian Exports Awards.

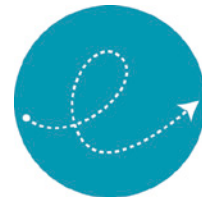

On October 7th, 2016, The Tasmanian Business Services Award, sponsored by CPA, was presented at the Henry Jones Art Hotel to PMA Director, Chris Sargent. PMA was recognised for outstanding international success in the professional business services including legal, accounting, support services, business management, marketing, franchising and licensing, financial and insurance, market research and translation services.

Chris commented "To be presented the Tasmanian Business Services Award again in 2016 is the culmination of our team's efforts to continually improve our exporting logistics. Over the last 12 months, we have focused on improving and refining our international distribution channels to meet the need of the growing horticultural markets."

PMA would like to thank DAFF (Department Agriculture Fisheries and Forestry), Austrade, our export partners Tasmania Department of State Growth and our stakeholders that contribute to the continued success of the business.

PMA is proud to be a Tasmanian owned and run company exporting new horticultural innovations to the world.
