Win puts couple in the 'Limelight'

Geelong couple Graham and Shirley Skurrie are the lucky winners of the Acacia 'Limelight' 10th Anniversary promotion.

*"I just can't believe it,
we've never won anything."*

Drawn from thousands of entries, Graham said "I just can't believe it, we've never won anything."

Graham and Shirley purchased three 'Limelight's for their garden during the competition period.

Celebrating 10 years on the market, 'Limelight' remains Australia's original and best selling form of dwarf Acacia. Its outstanding decorative foliage makes it a new age native suitable for a wide range of applications.

Jason Dawe from Native Plant Wholesalers was delighted to present the travel voucher to the winners recently at the place of purchase – Wombat Gully Plant Farm in Geelong, Victoria. Jason said "The competition was our opportunity to give something back to customers who have supported Acacia 'Limelight' over the past 10 years."
