

Armeria alliacea **'Pretty Petite'**[®]

LONG FLOWERING

Origin: Victoria, Australia

Species: *Armeria alliacea*

Protection Status: PBR Protected

Full sun/part shade

Height 15cm

Spread 40cm

Dry tolerant

Frost hardy

Features:

- Forms a tight, tufted mound of ornamental, grass-like foliage for year round interest.
- Long flowering perennial topped with masses of globe shaped, soft pink flowers through much of the year with the main flush in spring.
- Low maintenance and easy to grow.
- Dry tolerant once established.

Suggested Uses:

- Cut flower gardens • Rockeries • Containers
- Small gardens • Fast results for new gardens
- Mixed borders • Edging • Coastal regions

Water Requirements:

Low watering requirements withstanding some dryness but should be watered regularly during extended periods of heat.

Care:

Grows well in full sun in most soil types given good drainage. No pruning required although trimming off spent flowers will encourage further flushes. An application of slow release fertiliser in spring is recommended.
