

## Hakea laurina 'Stockdale Sensation'

### RICH WINTER COLOUR

**Origin:** Mt Gambier, South Australia

**Species:** *Hakea laurina*

**Protection Status:** PBR protectable

Full sun

Height 2-3m

Spread 2m

### Features:

- Profuse covering of spectacular red and cream pin cushion flowers
- Attractive and unusual winter colour
- Fast growing, dense weeping habit with narrow foliage

### Suggested Uses:

- Medium sized, showstopper feature plant for the garden
- Distinctive flowers for a unique display
- Colour and interest throughout winter

### Water Requirements:

Low. Once established requires only an occasional deep watering during extended periods of heat.

### Care:

Plant in most soil types that are well draining. Prefers a sunny site for optimum flowering. Prune as required. Flowers may be cut for indoor displays.
