

LOROPETALUM

'PLUM GORGEOUS'

Spectacular YEAR ROUND INTEREST

Loropetalum 'Plum Gorgeous' is a stand out selection famed for its year-round, deep plum coloured foliage. Adding even more allure to the plant are the bright magenta, tassel like flowers which appear in spring and again in autumn. Bred for its compact dense habit, it is perfect for low hedging and specimen planting. 'Plum Gorgeous' is a no fuss, frost hardy versatile solution for the garden, and requires minimal maintenance once established.

FEATURES
