

'Sunny'

Original - 'Lemon Lime and Clippers'

## Ligustrum undulatum 'Sunny'

### COMPACT HEDGING

**Origin:** Wollongbar, NSW

**Species:** undulatum

**Protection Status:** PBR Protectable

Full sun

Height 2m

Spread 1.5m

Hedge Spacing 50cm

### Features:

- A fantastic hedging variety that is easy to trim
- Beautiful lime foliage with golden edges
- Dense and thick, especially when pruned to shape

### Suggested Uses:

- Dense and compact hedging
- Topiary shapes
- Colourful garden backdrop to other lower growing species

### Water Requirements:

Medium once established. Water periodically through extended periods of drought.

### Care:

Plant in most soil types that are well draining. Regular pruning will encourage further new growth. Feed sparingly in spring with a slow release fertiliser.
