

Magnolia 'Genie'[®]

SPECTACULAR ELEGANCE

Origin: New Zealand

Species: *Magnolia soulangeana*

Protection Status: PBR protected

Full sun

Height 3m

Spread 2m

Features:

- Spectacular large, deep burgundy flowers
- Incredible black-red tulip-like buds
- Hardy, flowers having remarkable frost resistance
- Dwarf, columnar form

Suggested Uses:

- A magnificent feature plant
- Great in large containers
- Perfect for areas where space is limited

Water Requirements:

Low. Prefers a deep, freely draining rich soil.

Care:

Plant in a well composted soil. Mulch well to provide a cool root zone and keep the root ball moist during the first season. Prune after flowering if desired.

**Awarded 'Best Novelty
Award' at IPM Essen 2011**
