

Tibouchina 'Little Beauty' [Ⓟ]

VIBRANT COLOUR

Origin: Queensland, Australia

Species: *hybrid*

Protection Status: PBR Protected

Full sun

Full sun/part shade

Height 1m

Spread 80cm

Features:

- Vibrant colour - perfect for a big impact
- Large deep purple flowers from late summer through to spring
- Hardy and easy to grow

Suggested Uses:

- Mass plants for low maintenance areas
- Fast results for new gardens
- Long lasting colour for entertainment areas
- Evergreen shrub for informal hedging

Water Requirements:

Medium. Will benefit from occasional deep watering during extended periods of heat.

Care:

Plant in most soil types that are well draining. No pruning generally required. Feed in early spring and give protection from frosts.
