

ALLIUM

'LUNA' 

BLUE FOLIAGE / ROSE PINK FLOWERS

A blue-leaved sport derived from the well-known Allium 'Millennium'. With all the familiar virtues of its parent including generously sized blooms, long-flowering and robust summer foliage, but with glaucous leaves that create the perfect foil for pastel and bright colour schemes alike. Ideal companion plant for spring-flowering bulbs, continuing the show into summer.

FULL SUN

DRY TOLERANT

CUT FLOWERS

BUTTERFLY ATTRACTING

HEIGHT 20-30CM
SPREAD 20CM

FEATURES

- Unique blue/green foliage
- Long-lasting rose-pink blooms
- Powerful butterfly magnet
- Easy-care plant with exceptional flower display
- Unpalatable to deer and rabbits

USES

- Companion plant for flowering bulbs
- Fantastic 'filler' plant useful for linking planting schemes
- Water wise and sunny gardens
- Cut flower displays
- Rockeries and coastal gardens

CARE

Low to medium water requirements. Tolerates dry spells but will appreciate a soak during extended dry periods. Foliage is herbaceous, so cut back to the ground in winter for fresh growth to come from the bulb in spring. Fertilise in late winter for optimum results

ORIGIN: Victoria, Australia // **SPECIES:** *Allium nutans hybrid* // **PROTECTION STATUS:** PBR Protectable
