

ACACIA

# 'FETTUCCINI'<sup>®</sup> STANDARD

LUSH DECORATIVE FOLIAGE

“ plants don't have to be just for 'native' gardens! If you're looking for that feature plant with a designer edge, then this is the plant for you. With its unique rippled leaves displaying atop an upright straight trunk, Acacia 'Fettuccini' is perfectly suited to formal gardens and courtyards. This novel plant allows you to bring a bit of our native flora into your garden while maintaining a neat and architectural garden look. ”

## FEATURES

- Outstanding decorative foliage with a ripple appearance
- Fresh lime green tones with coppery tinted new growth
- Year round ornamental value
- Dry tolerant
- Easy to grow with minimal maintenance
- Australian native

## USES

- Unique feature plant for small gardens and courtyards
- Formal gardens
- Large container displays
- Line pathways and entranceways

## CARE

Water requirements are low. Quite dry tolerant once established, only requiring an occasional deep watering during periods of extended heat.
