

Euphorbia

'ASCOT LILIPUT'

OUTSTANDING DWARF VARIETY

Another outstanding selection from the renowned Lambley Nursery located in the hot, dry wind swept plains of the central Victorian Goldfields. 'Ascot Liliput' is an easy care, compact variety which does not require pruning. Outstanding pot performance.

FEATURES

- A fantastic dwarf form with abundant flower heads held on thin flower stems
- Bright displays of lime flowers during spring
- Very tolerant of hot and dry conditions

USES

- Colour and form for dry gardens and rockeries
- Low borders and edging
- Small gardens, patios and courtyard container displays
- Coastal plantings

CARE

Low water requirements. Plant in a well drained soil for optimum results.

ORIGIN: Australia // **SPECIES:** *x martinii* // **PROTECTION STATUS:** PBR protectable
