

DWARF ESCALLONIA

'HEDGE WITH AN EDGE'

As the name suggests, Escallonia 'Hedge with an Edge' is perfect for use as a small hedge. This is due to its characteristic glossy, evergreen foliage which looks fantastic year round. In the summer months, you will also be rewarded with a beautiful display of deep candy-pink flowers.

FEATURES

- Attractive, glossy, evergreen foliage
- Deep candy pink flower during summer
- Easy to grow and hardy shrub

USES

- Ideal for low hedging or topiary specimen
- Grows well in large containers
- General use in water wise gardens
- Formal or minimalist garden styles

CARE

Low once established, requiring only occasional deep watering during extended periods of heat. Fertilise with a slow release fertiliser during early spring. A light pruning after flowering to maintain neat shape.
