

ERIGERON

# 'SPINDRIFT'

DWARF SEASIDE DAISY

*Erigeron 'Spindrift' forms a neat, dense dome of foliage, topped off with a sparkling display of dainty little daisy flowers which will firstly open as white then fade through various shades of pink and wine red. An improved variety of the popular 'Seaside Daisy' which will not become invasive like it's unruly relatives and with the added bonus of a low growing and compact habit.*

## FEATURES

- Dense, neat dome of foliage
- Sparkling display of dainty daisy flowers
- Flowers open as white and then fade through shades of red and pink

## USES

- Rockeries and cottage style gardens
- Dainty ground cover for garden beds
- Weed suppressant
- Borders and containers

## CARE

Low water requirements. Dry tolerant once established. Select a full sun or lightly shaded location in a well drained soil. Pruning not required. An application of slow release fertiliser is enough to keep 'Spindrift' happy.
