

HELLEBORUS

'OLIVIA'S JOY'

Few winter-flowering plants will delight quite as much as Helleborus 'Olivia's Joy'. With stunning pale pink flowers fringed with deeper colour, 'Olivia's Joy' holds its elegant cupped blooms well above the beautifully veined evergreen foliage, with prominent stamens completing its classic look. 'Olivia's Joy' makes a delightful indoor plant for up to three weeks*, and will then prove a firm favourite for both flower and foliage in a semi-shaded border or medium container.

FEATURES

- Beautiful pale pink flowers from winter to spring
- Flowers with a unique dome shape
- Vigorous evergreen perennial with a tidy growth habit

USES

- Elegance and style for shady nooks
- Plant under established tree canopies
- Containers or garden beds

CARE

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. If growing in containers or full sun, care should be taken not to allow to dry out completely. For best results, feed in late autumn and spring with a slow release fertiliser before and after flowering. **CAUTION:** Harmful if eaten/skin irritant

*Performance indoors will vary due to conditions within each environment.

ORIGIN: Neatherlands // **SPECIES:** Helleborus hybrid // **PROTECTION STATUS:** PBR Protectable
