

HELLEBORUS

'SOPHIE'S DELIGHT'

For lovers of the beautiful winter-flowering Helleborus, 'Sophie's Delight' cannot fail to impress. Proudly held well above its handsome foliage, predominantly white blooms are deliciously edged and backed with deep mulberry - a colour combination that is both simple and elegant. 'Sophie's Delight' is quite happy indoors for a period of time, for up to three weeks* after which it will be a valuable evergreen addition to a semi-shaded border or container.

FEATURES

- Beautiful white and mulberry flowers from winter to spring
- Flowers with a unique dome shape
- Vigorous evergreen perennial with a tidy growth habit

USES

- Elegance and style for shady nooks
- Plant under established tree canopies
- Containers or garden beds

CARE

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. If growing in containers or full sun, care should be taken not to allow to dry out completely. For best results, feed in late autumn and spring with a slow release fertiliser before and after flowering. **CAUTION** Harmful if eaten/skin irritant

*Performance indoors will vary due to conditions within each environment.
