

HELLEBORUS

'TUTU' 

UNIQUE FLOWERS

'Tutu' is famed for its elegant semi-double pink-purple blooms with delicate ruffled centres. Thriving in shady nooks, 'Tutu' is the perfect choice for difficult and neglected areas in the garden, providing a dramatic and graceful highlight. 'Tutu' can be kept for up to three weeks* indoors in a well lit room before being planted out into a container or garden bed.

FEATURES

- A new variety of highly unusual flower colour and formation
- Unique semi-double pink to purple flowers with pleated centres
- Vigorous evergreen perennial with a tidy growth habit

USES

- Eye catching colour for winter borders
- Beautiful container displays
- Add elegance and class to any shady nook
- Cut flowers make a great addition in your home

CARE

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. If growing in containers or full sun, care should be taken not to allow to dry out completely. For best results, feed in late autumn and spring with a slow release fertiliser before and after flowering. **CAUTION:** Harmful if eaten/skin irritant

*Performance indoors will vary due to conditions within each environment.

ORIGIN: Netherlands // **SPECIES:** *Helleborus orientalis* hybrid // **PROTECTION STATUS:** PBR Protected
