

LAVENDER

'BLUSHBERRY RUFFLES'

UNMATCHED FLOWER PERFORMANCE

LAVINNOVA
THE LAVENDER REVOLUTION

Complete flower coverage is a remarkable thing on its own, but this variety flower is a delightful colour combination as well. The masses of true lilac spikes create a dome-like effect across the soft green lavender leaves, blending charmingly with the pale lilac wings above – what a show! Neat and compact, perfect for high-impact garden display in bedding combinations, borders and patio containers.

FEATURES

- Unrivalled flower coverage across the whole plant
- Repeat flowering after spring flush
- Neat and compact grey-green foliage
- Easy and long-lasting flower show

USES

- A fine plant for containers and feature planting
- Spectacular flower colour show for borders and path edges
- Water wise and sunny gardens
- High impact low informal hedges
- Rockeries and coastal gardens

CARE

Low to medium water requirements. Tolerates dry spells but will appreciate a soak during extended dry periods. Remove spent flower heads to encourage further displays. Fertilise in late winter for optimum results. Prune after flowering and again at the start of autumn for best results.

FULL SUN

DRY TOLERANT

LOW HEDGING
