

LAVANDULA

'PINKBERRY RUFFLES'

LARGE FLOWER WINGS

This outstanding new addition to the ever popular Lavender Ruffles Collection, has pale pink coloured flower wings which sit just above the grey/green foliage. The low maintenance, tight mounding habit and incredible flower performance make 'Pinkberry Ruffles' an excellent choice for containers on decks and entertaining areas. The superb garden performance of 'Pinkberry Ruffles' is equally as impressive.

FEATURES

- Compact, neat habit with large flower wings
- Long flowering and highly ornamental
- Distinctive ruffled flower heads
- Dry tolerant once established and requires minimal maintenance
- Main flowering from late winter through spring

USES

- Fragrance and colour for entertaining areas
- Ideal for small garden spaces or containers
- Informal borders and hedges

CARE

Plant in full sun in well-draining soil. Low water requirements once established, needing occasional deep watering in extended periods of heat. Apply a slow release fertiliser and trim to about two-thirds its size in late summer to maintain shape and vigour.
