

LAVANDULA

'THE PRINCESS'[®]

INTENSE VIBRANT COLOUR

With its vibrant hot pink bracts above deep pink flowers, 'The Princess' will bring style and beauty to your garden when it needs it most. Delightfully perfumed, compact, and with stunning silver foliage, it's hard to beat this tough, sun loving plant that will flower for months. Ideally suited to courtyards, containers, low hedging or large scale landscaped areas, 'The Princess' is quite simply a 'must-have'.

FEATURES

- Vibrant hot pink bracts atop dark pink flowers
- Early flowering and beautiful fragrance
- Bred in Australia and selected for its intense colour and lengthy flowering season
- Extremely neat compact habit and aromatic grey foliage
- Main flowering flush begins in spring with spot flowering through summer

USES

- Ideal for paths, entrance ways and entertainment areas where the winter colour can be appreciated
- Low hedging
- Waterwise gardens
- Containers
- General garden use

CARE

Low water requirements. Dry tolerant once established. Plant in a sunny location in well draining soil. Clip back to two thirds of its size in late summer to maintain shape and vigour. After pruning an application of slow release fertiliser would be beneficial.
