

ORIGANUM

'BELLISSIMO'

HOT AND DRY

Origanum 'Bellissimo' is a stunning new ornamental selection with large hop-like flowers. The rich purple flower bracts deepen as they age producing a beautiful deep colour display in the garden. This variety copes very well with summer rains as long as drainage is adequate. 'Bellissimo' is very dry tolerant and also copes well with frost.

FEATURES

- Stunning plum coloured blooms in summer and early autumn
- Long lasting flowres
- Tolerant of hot and dry conditions
- Lovely aromatic foliage
- Compact with attractive weeping habit

USES

- Bright garden colour throughout the warmer months
- Rockeries and borders
- Spill over retaining walls and embankments
- Containers

CARE

Low water requirements. Tolerant of hot and dry conditions. Requires only an occasionally deep soak during extended periods of heat. Plant in a full sun position, in a well drained soil for optimum results. Remove old growth and apply a slow release fertiliser when new growth appears in spring.

**Ornamental use only*
