

TIBOUCHINA

# 'FOXXY BABY'

COMPACT DISPLAY

This striking new variety is a welcome addition to the award-winning Fantasy Flowers® collection. Fast growing, dwarf beauty 'Foxy Baby' is right at home in mixed borders and rockeries where its divine bi-coloured pale blooms with prominent purple stamens last for many months. Evergreen and easy-care, 'Foxy Baby' is among the most generous of small flowering shrubs and compliments 'Tibouchina 'Groovy Baby', 'Peace Baby' and 'Cool Baby' when planted alongside.

## FEATURES

- Stunning large bi coloured flowers in spring and again in autumn
- Blooms are pale pink and white with contrasting deep purple stamens
- A compact form that is hardy and easy to grow

## USES

- Containers and small gardens
- Mixed border and rockeries
- Fast results for new gardens
- Long season of colour for entertainment areas

## CARE

Low water requirements. Once established is quite dry tolerant requiring only an occasional deep watering during periods of extended heat. Grows well in most soil types that are well draining. Pruning generally not required. Feed in early spring with a slow release fertiliser for best results.

**ORIGIN:** Brisbane, Australia // **SPECIES:** *Tibouchina hybrid* // **PROTECTION STATUS:** PBR Protectable
